

LEGAL DEPOSIT / DELIVERY LIST PR & ARCHIVE MATERIAL, **SHORT FILMS & DOCUMENTARIES** MINOR COPRODUCTION

General requirements:

The delivery will only be received and approved if ALL materials in the delivery are uploaded at the same time and according to the legal deposit lists and the technical specifications.

A delivery that is not complete will be rejected and deleted and therefore it will have to be resubmitted as one delivery.

Rejected materials delay the payment of the instalments, and the payment will not take place until the delivery is correct and approved.

DELIVERY LIST:

Billing Block – a list of the order in which credits are presented.

Credit list – with billing block to secure the accuracy of the film's metadata, and for the use of the fact sheets on dfi.dk.

DCP – for public screening of the film, including screening at Cinemateket. A DCP is also a part of the preservation material.

Digital Master – used for preservation. Together with PAC files, this master will also be able to cover the need for distribution and to produce other formats.

Final mix – in order to ensure that the soundtracks are preserved and to facilitate possible alternative versions of the film in other languages.

ISAN number – ensures that the film can always be uniquely identified, and that rights can be clarified.

Music cue sheet – used for financial settlement when the film is used and important in connection with management of rights.

PAC files – subtitles with time codes that match the time codes on the digital master and the dialogue lists.

Printed poster – to be used when the film is screened at Cinemateket and to secure documentation and preservation of the film.

TIFF format – international standard format.
